COLOR IN THE BOWTIES!

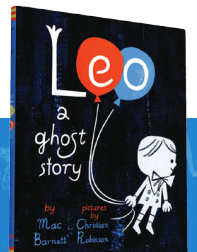

Give Leo some new, colorful bowties to wear by coloring in the bowties below!

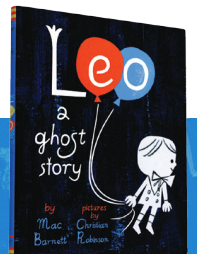

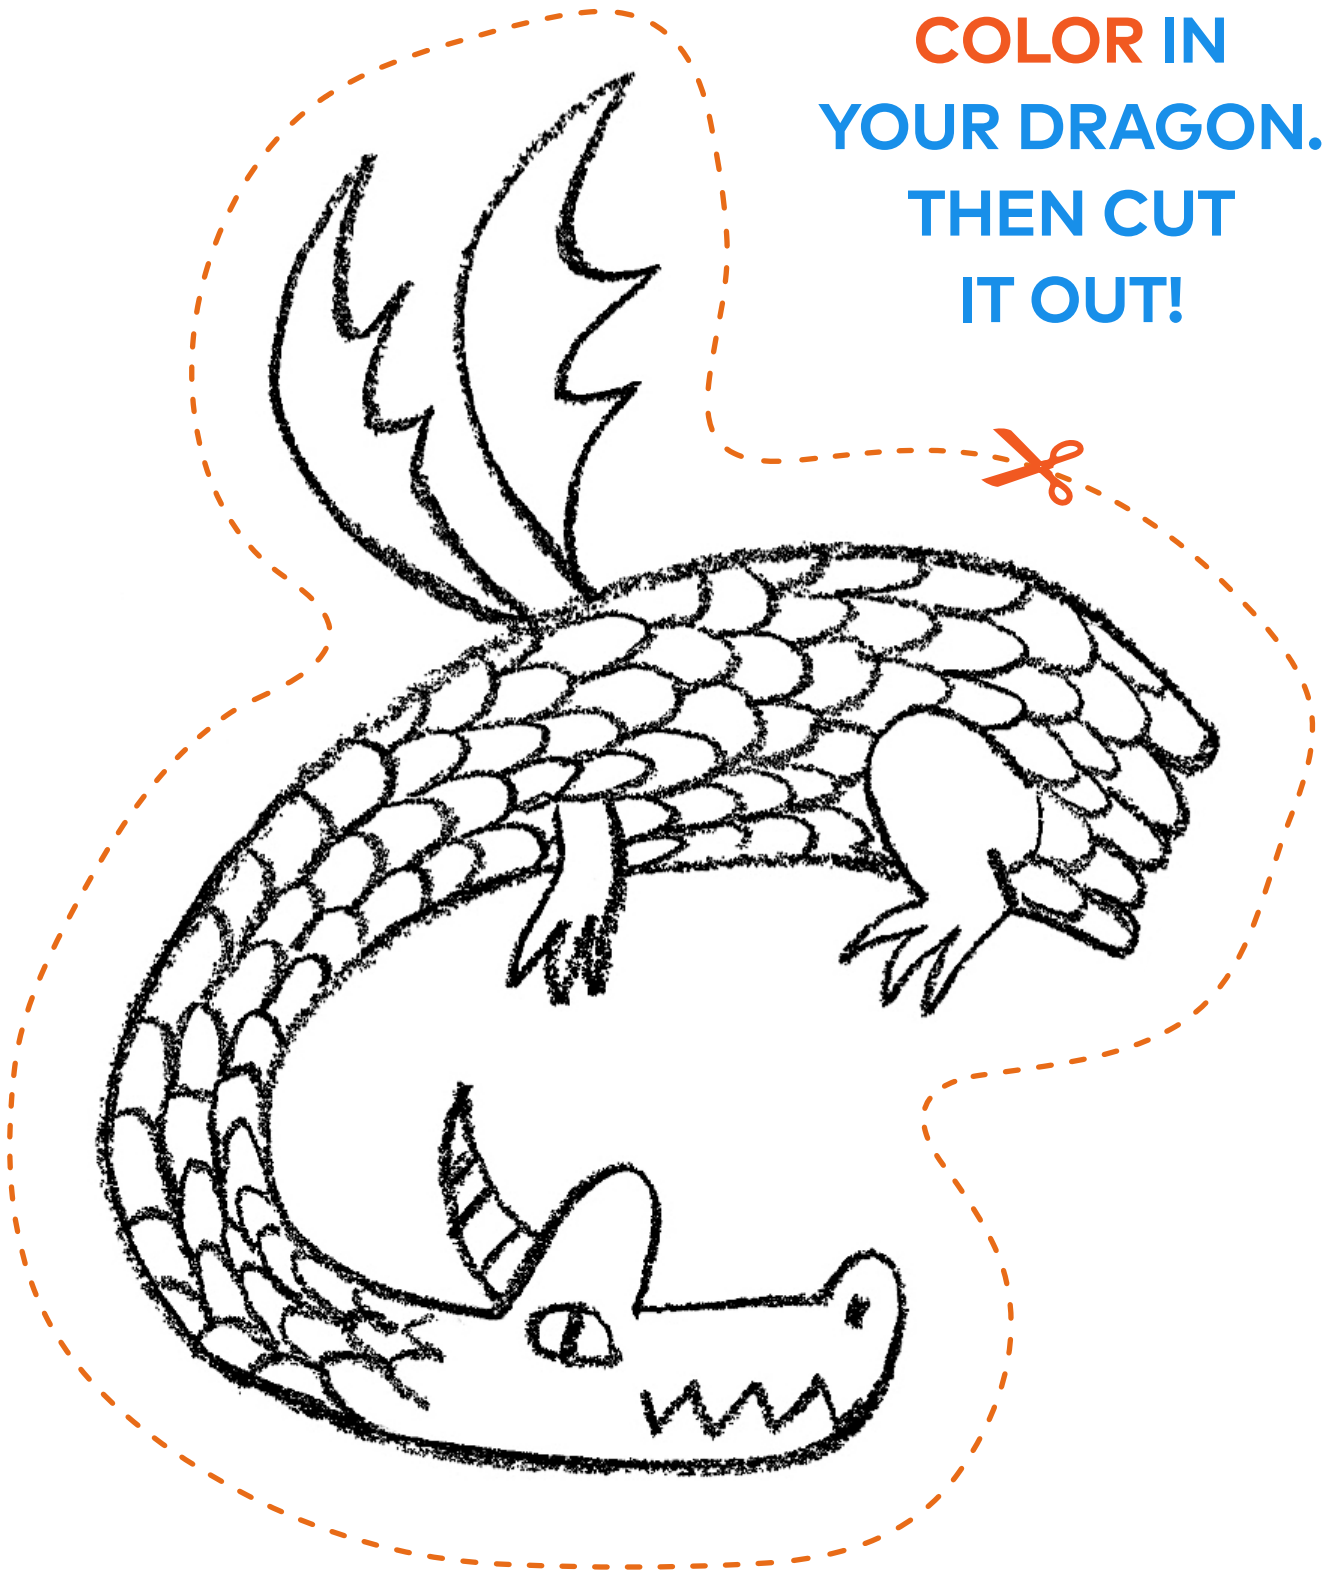

PIN THE TAIL ON THE DRAGON!

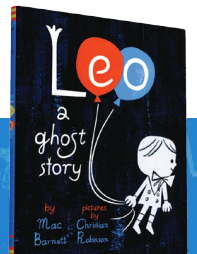

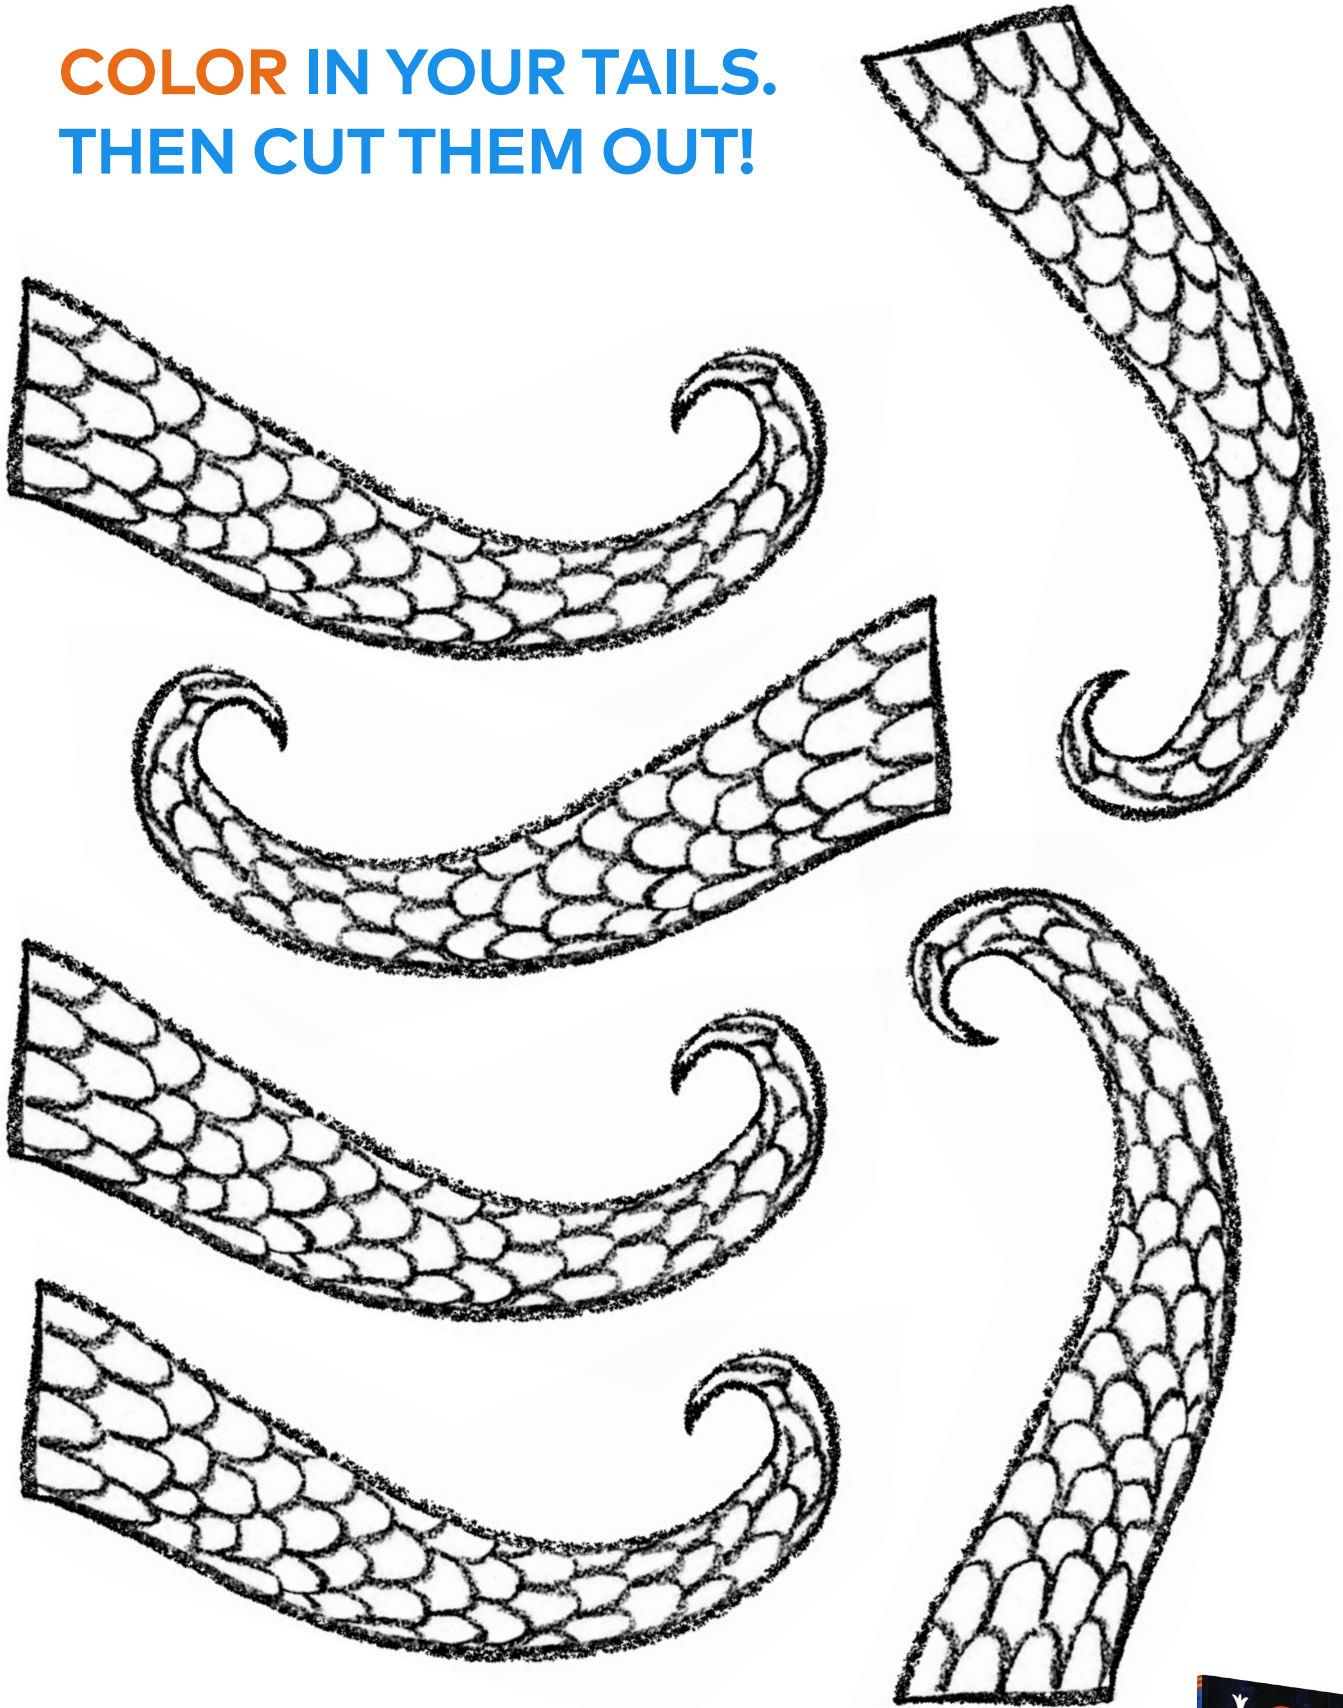

1. Cut out the tails and the dragon along the dotted lines. Have each player color in his or her tail.
2. Tape or pin the dragon to the wall.
3. Blindfold one player. Spin the player around in circles.
4. Using a pin or tape, have the player try to place the tail as close to the dragon as possible.
5. Take turns! Whoever gets their tail closest to the dragon wins!
